

Terms of Use

Please read this document carefully before using the dataset Hypotheses Paradise (HP). This is a legal agreement between you (the end-user), paper authors of “Hypotheses Paradise: An Open and Strong Baseline for Speech Recognition with Large Language Models”, and the authors’ academic organizations.

Your use of the HP signifies your acceptance of the terms of this License. If you do not agree to the terms of the License, you must not proceed into the HP dataset website, and you must return to the paper authors or their academic organizations any decoding text from the HP currently in your possession.

License: By this license, you are granted the right to use the HP for noncommercial educational, informational, and research purposes only. You are not granted a right to use the HP for the purpose of journalism, investigation, or reporting absent a specific license granted by the paper authors. The decoding text and associated captions of the HP may be copied and used for oral educational presentations delivery by you along with any supporting documents needed for the presentation. We, the paper authors, requires that decoding text taken from the HP include a notice of HP Copyright ownership in the form of:

“This decoding text was originally from the dataset HP in the paper of ‘Hypotheses Paradise: An Open and Strong Baseline for Speech Recognition with Large Language Models’ by Chen Chen, Yuchen Hu1, Chao-Han Huck Yang, Sabato Macro Siniscalchi, Pin-Yu Chen, Eng Siong Chng “

Restrictions: The HP is a proprietary, copyrighted, work of the paper authors and their academic organizations. You agree that you will not modify, rent, lease, sell any of the decoding text, or create derivative works using the HP. You agree that you will not remove any notice of copyright, trademark, or other proprietary rights from any place where it is on or embedded in the content. If you have any reason to believe that decoding text from the HP are attributed to wrongful ownership, you must report the discrepancy to the paper authors or their academic organizations.

Terminations: The paper authors and their academic organizations may terminate any License at any time at their sole discretion. In the case of termination of any License, all Copyrighted materials or copies associated with this specific grant must be destroyed.

Disclaimer of Warranty on HP: You expressly acknowledge and agree that the use of the HP is at your sole risk. THE HP IS PROVIDED “AS IS” AND WITHOUT ANY WARRANTY OF ANY KIND. No warranties are made that the HP will meet your requirements, or that the operation of this website will be uninterrupted, virus-free, or error-free. No warranty is given as to the accuracy or reliability of the data within the HP.

Limits of Liability: The paper authors and their academic organizations shall not be liable for any damages, including direct, indirect, digital, incidental, special, or consequential damages, or damages for loss of profits or revenues incurred by you or by a third party, whether in an action nor contract or tort, arising out of the use or application by you of the medical information and decoding text contained within the HP.

Indemnification: You agree to indemnify and hold the paper authors and their academic organizations harmless from and against any claims, expenses, losses, or liabilities (including professional fees and expenses) in connection with any claim by a third party arising out of your

use of any component of the HP or the application by you of the medical information contained in the HP.

Transferability: The rights granted to you by the paper authors and their academic organizations under this License of Agreement may not be assigned, transferred, or licensed to any third party. The paper authors and their academic organizations may transfer and/or assign at will this License to any third party, including any personal data associated with the ownership of the License.

Governing Law and Jurisdiction: This License will be governed by and construed in accordance with the laws of the Taiwan Taipei District Court, without regard to conflict of law principles. All suits, proceedings, or claims in connection with this License shall be brought in the Taiwan Taipei District Court, and you hereby consent to the jurisdiction and venue of those courts. If any provision of this License is held by a court of competent jurisdiction to be invalid, unreasonable, or unenforceable, such provision or requirement will be enforced only to the extent that it is not invalid, unreasonable, or otherwise unenforceable and all other provisions of this License shall remain in full force and effect.

Disclaimers: The paper authors and their academic organizations are providing information and services on the Internet as a benefit and service in furtherance of the academic research. The paper authors and their academic organizations make no representation about the suitability of this information and these services for any purpose.

The paper authors and their academic organizations are not responsible for any material posted by any third party. The paper authors and their academic organizations specifically disclaim any and all liability for any claims or damages that may result from any postings by third parties.

The paper authors and their academic organizations disclaim all warranties with regard to information posted on this site, whether posted by the paper authors and their academic organizations or any third party; this disclaimer includes all implied warranties of merchantability and fitness. In no event shall the paper authors and their academic organizations be liable for any special, indirect, or consequential damages or any damages whatsoever resulting from loss of use, data, or profits, whether in an action of contract, negligence, or other tortious act, arising out of or in connection with the use or performance of any information posted on this site.

Copyright notice: All materials posted on this site are subject to copyrights owned by the paper authors and their academic organizations.

The paper authors and their academic organizations hereby provide limited permission for the user of this site to reproduce, retransmit, or reprint for such user's own personal use (and for such personal use only) part or all of any document on this site as long as the copyright notice and permission notice contained in such a document or portion thereof is included in such reproduction, retransmission, or reprinting. All other reproduction, retransmission, or reprinting of all or part of any document found on this site is expressly prohibited unless the paper authors and their academic organizations have expressly granted its prior written consent to so reproduce, retransmit, or reprint the material. When such permission is granted, the decoding text shall be cited as follows:

“This decoding text was originally from the dataset HP in the paper of ‘Hypotheses Paradise: An Open and Strong Baseline for Speech Recognition with Large Language Models’ by Chen Chen, Yuchen Hu1, Chao-Han Huck Yang, Sabato Macro Siniscalchi, Pin-Yu Chen, Eng Siong Chng “All other rights reserved.

The information contained in the HP is offered as information only and not as practice, financial, medical, or other professional advice. Users need to consult their own professional advisors for this advice. Any rights not expressly granted herein are reserved.

Please contact hypotheses-paradise@googlegroups.com for use and copyright questions or the HP dataset request.

Append the following confirmation statement to the email body.

"I, "***YOUR-NAME***", hereby request the usage of the Hypotheses Paradise (HP) dataset only for research purposes. I confirm that I agree with the terms of use of the HP".
